6" CRESLINE[®] PVC DS PIPE FOUND CRUSH PVC SEWER PIPE WITH OZETTE PIPE 40734042410 87738

A close-up photograph showing various metal components of a boat. In the foreground, a large, curved metal pipe or tube is visible, supported by a black metal bracket. Behind it, a vertical metal post with a circular opening at the top is mounted on a larger metal frame. The background shows the water surface and some structural elements of the boat.
